Programme Director

Before I can welcome everyone here, let me begin by expressing my appreciation for this opportunity to say a few words at this important occasion- the Launch of Rural Career Guidance Exhibition Campaign:

Let the words of utata Nelson Mandela inspire us:

“Education is the great engine of personal development. It is through education that the daughter of a peasant can become a doctor, that the son of a miner can become the head of a mine, that a child of a farmworker can become the president of the great nation. It is with what we make out of what we have, not what we are given, that separates one person from another”

Lamazwi ndiwabekisa kulutsha lonke olulapha namhlanje, lutsaha urhulumente okokelwa ngu Tata uMagashule uzama unako nako ukuba ingomso lenu ligqaqambe kungoko ndisithi kuni “ Ingomso lenu ukusuka namhlanje lusedlanzeni zenu”

Programme director: this campaign is an excellent initiative that will be of great assistance to our communities, to develop a rural

community, really our dream of rural development will be reached through this initiative of rural career guidance Exhibition campaign. On behalf of Xhariep, I warmly welcome you this Launch of Rural Career guidance Exhibition Campaign. I would also like to warmly congratulate everyone who has made this event possible.

I thank you and once more.

YOU ARE ALL WELCOMED!
